OCTOBER

is

NATIONAL FARM to SCHOOL MONTH

October is National Farm to School Month, a time to celebrate the connections happening all over the country between children and local food. From taste tests in the cafeteria and nutrition education activities in the classroom, to farm visits and school garden harvest parties, schools, early care and education sites, farms and communities in all 50 states and D.C. join in the celebrations.

Get involved at farmtoschool.org

Wednesday, October 16th

Individual pictures will be taken for those students who have not had one taken or would like to retake theirs. A proof will be sent home in 2-3 weeks. At that time, orders can be placed online or by sending in payment with the form to the school by the specified deadline.

Class pictures will also be taken but ***must be paid for in advance.***

Order forms are being sent home today, October 8th, and must be turned in by October 16th regardless of how payment is made – even online orders have to have an envelope turned in with confirmation code written on the envelope. We will not be able to place an order for a class picture if we do not have an envelope for that student.
