Character Counts![®] Corner

The Character Counts! Pillar for December is **Fairness**.

Students are learning to be open-minded, play by the rules, avoid blaming others, and to listen to the ideas of others.

Learning happens best when it is done at home and school.

Belle Chasse Academy wants to ensure each student fully benefits from their education by attending school regularly. Attending school regularly helps children feel better about school—and themselves. Your student can start building this habit in preschool so they learn right away that going to school on time, every day is important. Consistent attendance will help children do well in high school, college, and as adults in the workforce.
