It's Harvest Time! Your Eagle's Way Café will be serving hydroponically grown Rex Butterhead lettuce from BCA's greenhouse.

When? Tuesdays, Thursdays and Fridays on the Salad Bar! And in all side salads in the Eagles' Way Cafe!!

Kudos to Colin Gros who has brought our hydroponic initiative from an idea to reality, and also to Jorge Cosenza, who put his varied skills and expertise to bear to complete construction of the system.

Belle Chasse Academy wants to ensure each student fully benefits from their education by attending school regularly. Attending school regularly helps children feel better about school—and themselves. Your student can start building this habit in preschool so they learn right away that going to school on time, every day is important. Consistent attendance will help children do well in high school, college, and as adults in the workforce.
